Bell Harbor International Conference Center April 3–4, 2025 | Seattle, WA and Virtual

### Why Sponsor the Summit

As a non-profit, PLUGS provides comprehensive resources and customizable solutions that improve lab testing processes across all stakeholder groups. Our membership network includes more than 100 organizations representing hospitals, health systems, laboratories, payers, patient advocacy groups, health and biotechnology companies. PLUGS has a proven track record of ensuring patients get the right test at the right time, and improving the likelihood that medically appropriate tests are covered by health plans.

At the PLUGS® National Summit, your company will gain insider access to lab industry players and trends, create long-term mutually beneficial relationships with clients, and help improve the quality of care that patients receive nationally.
